Now we have a short talk for our HERALD readers, and this we propose to make to the point. We are in business "not for our health," but for a living, and to get this, we must reach the people. We have just received and are now opening a fine line of FINE CLOTHING, GENTS SHOES and GENTS FURNISHING GOODS generally; also DRESS GOODS, MILLINERY GOODS, LADIES SHOES and LADIES FURNISHING GOODS generally. Also the Staples such as PRINTS, GINGHAMS, TICK-ING, JEANS, DOMESTICS, etc., and in endless varieties and at BEAVER DAM prices, and this means pretty low.

Also we must call attention to our elegant line of CARPETS from which housekeepers can select and buy without any risk. If you want a Carpet, just come in and see how it looks before buy-In connection with this, we call attention to our line of CURTAINS of the finest kinds, BLINDS, RUGS, &c., &c.

Again. Our FURNITURE cannot be duplicated outside the eity trade, and not there with the same amount of money. This is important as every housekeeper wants more or less Farniture. These are SPECIALTIES, and we talk them because we have them, and the people DON'T KNOW IT unless we do talk

All we need to say now is this, if you want good goods at LOW, HARD-TIMES prices, you can buy them from us for the CASH or good country produce. If you want cheap goods-regular LEADERS—at regular ADVERTISING prices, you shall have them, as LOW as the LOWEST. Call at once. Finally to our Farmer Friends we announce that we have on

hand the old reliable HORSE SHOE brand of bone and Corn Grower. Also the Phosphate, &c., suitable for any spring crop. Also the HOMESTEAD TOBACCO GROWER for tobacco and gardens. Send in your orders. We have these in Car-loads and at car-load rates. Come to SEE US!
